## RESIDENT SPOTLIGHT

### Therese Anne Schnell

Therese Anne Schnell was born at the Marine Corps Air Station in Cherry Point, NC on January 28, 1951. She learned to crochet and do art, which she enjoyed because she could be creative. Her parents were Frank and Grace Shea. Therese's Dad was a career Marine and her mother stayed at home as it was a full-time job just taking care of five kids. She admires her mother; she was an incredibly strong woman who always kept the family on an even keel despite the constant disruptions and moves due to her father's career in the Marine Corps. Therese has three brothers and one sister. Mike is four years older, John is one year older (they share the same birthday), and Frank is 2 years younger. Her sister Sharon is much younger as she was born in 1963.

Therese met her husband Phil in 1970. He was her brother Mike's roommate while they were stationed in Quantico, VA as 2nd Lieutenants in the Marine Corps. Mike brought Phil home with him for Easter weekend and they were married at later that year on September 19th, 1970.

Her favorite vacations growing up were when they went camping – Therese loved being outdoors. Her family traveled cross country by car whenever her dad got transferred so she got to see a lot of the United States. As an adult, certainly taking the boys to Disneyland, making a cross-country trip to visit her brother Mike in Kansas City, and spending a week with their oldest son and his family in Hawaii.

Therese didn't start college until both sons were married and had started their own families. She attended Central Piedmont Community College in Charlotte, NC and then transferred to Clark Junior College in Vancouver when her husband was transferred back to Portland. She planned to major in social work after acceptance at Washington State University-Vancouver for her junior year but didn't finish due to her lupus.

Therese was very active in her boys' school activities. She also volunteered to work with the homeless in Charlotte, was a CASA in Vancouver, and continued her art and did a lot of crocheting. While she has been in Goodyear, Therese has made numerous prayer shawls for her church.

She is most proud of her family. Therese has two sons, five grandchildren, and one great-grandson. Both their sons have grown up to be accomplished and responsible men and who in turn have raised five outstanding children. Therese feels well cared for at Park Villas. She says the staff and caregivers are very friendly and compassionate and are always immediately responsive whenever she needs anything and we love having her!
