## ASSISTED LIVING & MEMORY CARE COMMUNITIES

JULY 2021

## EMPLOYEE SPOTLIGHT

### Joe Adams

Community Support Specialist

Joe was born and raised right here in Tucson, Arizona. He is the oldest son and has two younger brothers.

On his time off, Joe enjoys going to the movies or exploring his city and the surrounding towns by taking mini day trips.

Joe was drawn to the caregiving field at a young age. He has always felt the desire to help those in need. While interviewing at an Assisted Living Community, Joe had an immediate connection to one of the residents there. She asked him for help and expressed how she trusted and felt safe around him. It was confirmed at that moment that this was the career path he wanted to follow. He was inspired by many, but especially his first Manager, Debby. She showed him how to care for someone with Alzheimer's, provide quality of life, how to show compassion and protect a person's dignity while doing so.

Joe is a caregiver at heart, he has been in the industry for 3 decades and touched many lives as a caregiver/care manager. As our Community Support Specialist, Joe has found a new passion that allows him to aid in finding the best home for those in need. His knowledge and experience provide ease to families who need placement for a loved one.

Thank you, Joe for your continued dedication and kindness.

## RESIDENT SPOTLIGHT

### Ruth "Betty" McCue

Ruth Elizabeth McCue was born in Pittsburg where her mother, Anna Mae and father, Ronald raised her and her two sisters Edna and Pat. Ruth chose the nickname Betty from her middle name Elizabeth. If you were to ask her niece or nephew about Aunt Ruth they would say, "who"?

Betty married her husband Thomas at the age of 20. They were married 35 years and had three boys, Thomas, Patrick, and Daniel. Betty always knew she wanted to be a mother and raising their three sons brought her true joy.

Betty was bright and enjoyed numbers, was organized, and worked hard. She attended Robert Morris Business College in Pennsylvania. She became a "Girl Friday" and worked for a Real Estate office doing all the administrative/secretarial work. Later she worked for Ameron a paint manufacturer that was often sent to to paint the Golden Gate Bridge in San Francisco. She and her husband started a business on the side distributing Nutrilite (vitamins & minerals). Betty handled the purchasing and secretarial work and her husband handled sales. They ran the business for 15 years while both worked their primary jobs. Betty retired from Ameron after 17 years.

Betty now loves spending her time playing Bingo, watching Roller Derby and Wheel of Fortune. Betty is a joy to be around and a great addition to our community. Welcome Home, Betty!

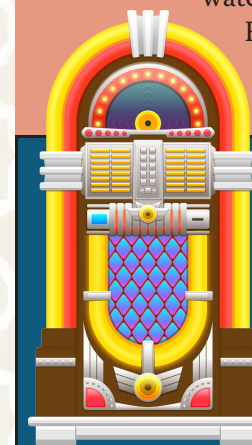

## Summer Survival

### Summer Survival Kits (Community Outreach)
