Alzheimer's is the most common cause of dementia, a general term for memory loss and other cognitive abilities serious enough to interfere with daily life. Alzheimer's disease accounts for 60-80% of dementia cases.

Alzheimer's disease, from the brain is reasonably likely to reduce cognitive and functional decline in people living with early Alzheimer's. Today, there is a worldwide effort underway to find better ways to treat the disease, delay its onset and prevent it from developing!

RESIDENT SPOTLIGHT

Mary Porter

Mary Bell Porter was born in West Finley Township, Pennsylvania. She met her husband at a country fair and fell in love. They were married for 51 years.

Mary moved to Arizona with her husband and has lived here 36 years. She has four children, Chris, Sharon, Cindy, and Ray. Mary has 10 grandchildren. She has worked many jobs throughout her life. Growing up Mary loved playing baseball, playing board games, and hanging outside with her siblings. Her stepfather was an electrician and mother worked at a glass factory.

Her favorite vacation was going to Maine with her kids and went to the outer banks with her family. Her heroes were her parents. Her best advice is to stay in school, graduate, then go to college and do your best to land a good career. Mary is most proud of her son. He takes great care of her and works hard to provide for her. He also found Park Senior Villas for her to live. She wants everyone to know that she is a loving and caring person and will help with whatever she can for anyone. She loves living here and loves all the staff and residents. Mary says everyone is kind and helpful and caring and that means a whole bunch to her. Great staff and great administration. She loves all the Activities and Events that go on and how fun and entertaining it is here. She loves her room. Enjoys being able to socialize and loves seeing everyone happy. We are so very happy to have Mary Bell Porter here at Park Senior Villas.

EMPLOYEE SPOTLIGHT

Ruth Ann

Ruth has been a caregiver at Park Senior Villas for four months. She was born in Indiana. She is happily married to her husband with five children and two grandchildren. What she enjoys most about working at Park Senior Villas is working with the residents and care team. Ruth is always willing and available to help anywhere there is a need and she keeps a positive outlook on everything.

On her days off she enjoys hanging out with her big family. Her favorite hobbies are boating, camping, and going to the casino. She enjoys visiting all the great lakes in Arizona. If she could learn to do anything it would be to learn how to fly an Airplane. One of her fondest dreams is to buy an RV and travel the world with her husband.

Two interesting facts about Ruth is that she says she is OCD and likes everything put in the right place and a clean environment. We can attest to that here at Park because Ruth never sits down. She is a busy bee all day. She has such a great work ethic and is just completely contagious to be around. She is a very honest and reliable person. Something that would surprise you about her is that she has lived in six different states and her favorite kind of food is cheesy fries, YUMMY! Ruth says what she really enjoys about working at Park Senior Villas is the residents, friendly work environment, administration team that you can actually come and talk to. We are so filled with love and joy to recognize Ruth for all her hard work here. Ruth, you truly make a difference. Thanks for all you do!
