RESIDENT SPOTLIGHT

Beverly Kenny

Beverly was born in Canton, OH, she lived there for about 30 years until she moved to California. Beverly lived in California for 60 years until she moved here to be with us at PARK Senior and to be closer to her granddaughter. Beverly met her husband James at an amusement park, and they were married for 70 years. During those 70 years Beverly and James had two children, Linda and Nancy and three grandchildren. She also had a dog and a cat. She loves to read, watch TV, go on walks, listen to music and work on her art. Beverly painted for almost 65 years, she started when she was 25 and just fell in love. We now get to enjoy her beautiful art and get to learn much from her. We love having Miss Beverly here at PARK, she makes each day brighter.

EMPLOYEE SPOTLIGHT

Christine Ibarra

Christine was born and raised in Casa Grande, AZ, but for one year of her life, she did get to live in Hawaii and then moved back home. Christine has three sisters and one brother. Between all her siblings she has 12 nieces and nephews. She loves spending time with her family and being the best auntie, she can be. She also loves arts and crafts, as well as hiking when the weather allows it. Christine has been with us at PARK for almost six months. She started as one of NOC shift certified caregivers and is now one of our AM certified caregivers and brings such an amazing energy to our residents. She started working in the medical field because of her love of others. She says our residents are some of her favorite people, as well as one of her favorite things about working at PARK. She also says that she loves that management truly cares about the staff.
