### Brenda Bernice Bustillos

Brenda grew up in El Paso, Texas. She has been a Medication Technician with us since September 2019. When asking Brenda what her favorite part about working here is, she responds with the biggest smile saying, "The RESIDENTS are my most favorite part of my job, I just love them". Her compassion is one we have all been happy and blessed to witness and be a part of.

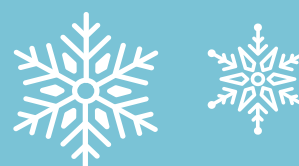

She has been with her husband over 18 years and married for 9 years they have two children and one on the way, ALL BOYS, oh brother! Our residents love seeing Brenda on her off days as she is also our stylist on the weekends, coming in to brighten up their faces making sure they look their best. On her free time she enjoys hanging out with her kids going to different parks and taking them to many RC car racing events.

She is so proud of her family. Her hero has always been her father giving her the perfect example of how to support and provide and be the staple of her family.
