EMPLOYEE SPOTLIGHT

Jose Rojas Breceda

Jose was born in Tucson and raised by his parents Jose Rojas and Edith Breceda. He is the oldest of three siblings. Jose's family moved around as he was growing up living in Tucson, San Diego and Mexico. Jose spends his free time hanging out with his friends, family, and traveling. Jose is a very driven man. He likes to stay busy and will do odd jobs such as handy man projects or driving.

Jose takes the hard working mentality and applies that here at Park Senior Villas. Jose has been part of our community for three years now. Jose was introduced to this career through his mother who worked for Park Senior Villas. Jose's favorite part about working at Park is engaging with our residents. He loves learning about their stories and lives. Thanks for being a part of what makes this community thrive, Jose. We are lucky to have you be part of this community!

Fun Facts About May

May's birthstone is the emerald, which is emblematic of love and success.

On May 1, 1931, the Empire State Building was officially opened.

May 4th is known as Star Wars Day - May the Fourth Be With You.

May used to have a very different name in Old English. Back then, the month was referred to as the "month of three milkings." Unsurprisingly, this meant that during this month, you could milk your cows up to three times per day!

May actually has two birth flowers - the Lily-of-the-Valley and the Hawthorn. The Hawthorn flower is a symbol of hope, while the Lily-of-the-Valley represents the return of happiness and sweetness.
