RESIDENT SPOTLIGHT

Jacqueline "Joy" Black

Villa M

Joy was born in Florence, Arizona on October 20, 1951. Growing up she was a tomboy who loved to play Basketball. Even to this day her favorite hobbies are walking and socializing, because it makes her feel good and gets the blood flowing.

She lived in Arizona most of her life, but the best time of her life was when she lived in Arkansas between sixth to tenth grade. After graduating, she's worked at variety of jobs in guest ranches, trail rides, and caregiving. The one thing that she is most proud of is being a CNA, because she got to help people throughout her life. Advice she would give is be true to yourself. One thing she would like everyone to know is she is a survivor of life. What she likes best about living at PSV is that it is a place to call home.

We love having you with us, Joy! Thank you for choosing PSV!

EMPLOYEE SPOTLIGHT

Anthony "Tony" Keemle

Maintenance Assistant

Tony was born in the Netherlands due to his father being in the Air Force. He enjoys admiring nature, socializing, going to the movies, and playing video games, but his favorite thing to do is spend time with his wonderful fiancé Jessica. He started out as our Housekeeper, then went to an Activities Assistant and currently is the Maintenance Assistant. Every department he has worked in he loves to spend time with the residents and makes sure they are having a great day. He always tries to put a smile on the residents and staff faces by his sense of humor and thoughtful actions. His future goal is to go back to school and learn a new trade. What he likes best about being a Maintenance Assistant is learning more about appliances and how they function.

Thank you Tony, for all your hard work, dedication, love, and care you give to all the residents at PSV! We appreciate you!
