JANUARY 2023

ASSISTED LIVING & MEMORY CARE COMMUNITIES

RESIDENT SPOTLIGHT

Mary and Jerry Claude

Jerry first set eyes on Mary at a friend's dinner party in Webster City, Iowa. Shortly after Jerry asked Mary out on a date. Jerry and Mary enjoyed driving around the town. One day while driving around Jerry nonchalantly said "marry me" and Mary responded with "okay". That sealed the deal and they were married June 8th, 1963 in a small Methodist Church in Woolstock, Iowa. Mary worked for a life insurance company and Jerry was on his way to become an engineer. They were ready to purchase their first home a year later and moved to Independence, Missouri. Jerry started accepting contracts with firms and traveling from one project to another. In 1973 Mary and Jerry had their first child, Dorinda and in 1976 they had their second child, David. Mary became a stay-at-home mother and created her own side business cleaning houses. They traveled from Atlanta to Iowa, Arizona and Kansas and then Jerry finally decided to retire in 2008. One of their final moves was in 2015. They came to Arizona to be closer to their daughter. They lived together for several years before coming to Park Senior Villas. Mary moved in first and then Jerry moved in not long after. A couple that moves together stays together.

EMPLOYEE SPOTLIGHT

Sherin Sultana

Sherin was born in Bangladesh and came to the United States in 1998 with her husband Anamul. They came to seek higher education for themselves, although Sherin holds a degree in child psychology from Bangladesh. They were blessed with two daughters, Tahsin and Shashmeenm, born in 2002 and 2005. Sherin started working as a caregiver in Minnesota in 2008. She went to school for billing and coding. In 2015 Sherin relocated to Arizona when her husband secured an engineering position with Intel. Sherin loves spending time with residents and taking care of others. She loves to craft. She enjoys pottery, painting, gardening, cooking, and flower arranging. She hopes to one day own her own business and have her own group home.
