RESIDENT SPOTLIGHT

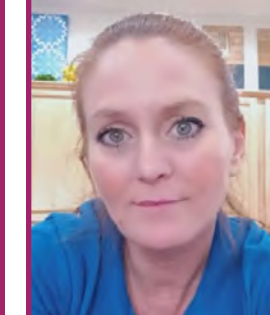

Stephen Gilbert

Stephen was born in Massachusetts. Growing up he loved playing all sports, especially basketball. He has been married for 40 years to his wife Sharon. They have two sons, Preston and Jonathan. He has one 12 year old granddaughter, Talia. He worked as a dial-up internet developer which is still being used in the U.S. today. His father Bernie was in WW2, a mechanic, and artist. His mother Pearl was a loving mother. His hero is Babe Ruth. Stephen is most proud of his family. His favorite activities are playing basketball and throwing the ball around with his son. Stephen wants people to know he loves helping others and to never give up on anything. He is a fun-loving guy. We are so happy and proud to have Stephen here at PSV.

EMPLOYEE SPOTLIGHT

Samantha Ingles

Samantha has been a Caregiver/Med Tech at PSV for three months. She was born in New York but moved around her whole life. She is happily married for 20 years with three children. Her hobbies are reading, running, and volunteering her time with animals. On her days off she enjoys hanging out with her family. She is outgoing and bubbly. Her favorite foods are Italian, garlic, and all spices.

If she could learn to do anything it would be marine biology. Her favorite thing about her job is helping people and bringing laughter to their day. What surprises people about her is that she had a child at 37 years old after her other two children were already adults. Thank you for all that you do, our residents appreciate it.
