## RESIDENT SPOTLIGHT

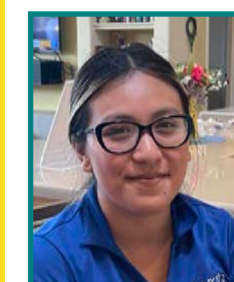

### Bobby

Bobby was born in Bridge Port, CT. She has two sisters that she is close to. Growing up they loved playing outside, enjoying games, hopscotch, skating and riding bikes. Her mother Rosemary was a loving and caring woman. She worked in retail and her father was a Cardiologist. In 1962 Bobby moved to Harvard, Connecticut to go to college, where she graduated and became a RN. She enjoyed spending her summer in Lake Bomoseen. She met her husband in the Air Force and had one son. She enjoys activities and playing Uno. The best advice she would give is to always be honest and accountable. We are so fortunate to have a loving and caring resident like Bobby.

## EMPLOYEE SPOTLIGHT

### Alex

Alex has been a Caregiver at PSV for 5 months. She was born in Arizona and has two sisters and a very loving mother that is her role model. The whole family works in the health care industry. Alex enjoys shopping, working out, yoga and cooking. She really loves spending time at her boyfriend's family's house. If she could learn to do anything it would be making her own clothes. Her favorite foods are Caesar salad, french fries and steak. You would be surprised to know she has been in the health care field for eight years. Her favorite thing is making sure the residents have a fun and beautiful day. Her goal is to travel the world. She has a positive personality and a beautiful smile on her face every day!
