ASSISTED LIVING & MEMORY CARE COMMUNITIES

RESIDENT SPOTLIGHT

Norma

Norma was born in Huntsville, Alabama and grew up in a rural area near a cotton mill. She moved to Tucson during her Sophomore year of high school and has lived there ever since, graduating from Amphi High School. Norma worked as a Registered Nurse at St Mary's Hospital. She was married to her husband for 60 years. Together they raised three children and have eight grandchildren. Norma enjoys exercising, walking, crocheting, playing games and spending time outdoors. She even used to make her own clothes! Norma treasures moments with her family, is easy going, embraces life and cherishes the memories of traveling with her husband.

EMPLOYEE SPOTLIGHT

Jose

Jose, one of our committed Certified Caregivers, was born in San Diego, California and has spent the majority of his life in Santa Ana, Sonora and Tucson. His journey into caregiving began when his mother introduced him to the field. He takes great joy in connecting with residents and discovering their life stories. A graduate of Flowing Wells High School, Jose has two brothers and one sister. In his free time, he enjoys traveling, spending time with friends, watching movies, listening to music and going to concerts. Some of his favorite pastimes include rainy days and off-roading in the mud.
