Be our guest for a delicious lunch while learning how planning now can save you money and ease the burden on your family later. In this informative session, we'll show you how simple and straightforward it can be to ensure your wishes are honored while providing financial protection for your loved ones. This is purely an educational event - no pressure or obligation to commit or purchase. Just bring your questions, enjoy great food, and leave feeling confident about your options.

Why Plan Ahead?

- Make decisions on your terms - We'll guide you through the process now so your loved ones won't have to make tough choices later.
- Ensure your wishes are honored - Fast, confident knowing everything will be handled just as you want.
- Protect your family from rising costs - Lock in today's prices and spare them from unexpected financial burdens.

We look forward to seeing you!

RESIDENT SPOTLIGHT

Paul

Paul is a native of Deadwood, South Dakota and Scottsdale, Arizona. He dedicated much of his professional life to the insurance industry, serving as the VP of Farmers Insurance and Regional Manager for 21 years. He spent two years as a Lieutenant

in the U.S. Army. From a young age, Paul was passionate about cars and dreamed of designing them. After graduating high school, he pursued a degree in Industrial Management at the University of South Dakota. He grew up in a small gold mining town where his parents owned and operated the Jack & Jill grocery store. Paul was married to his beloved wife, Mary Lou for 53 years. They raised a son and daughter and are proud grandparents to three grandchildren. Paul enjoys working on cars, fixing things and spending time with others. He is a devoted sports fan and has an appreciation for art and music. He finds joy connecting with people and takes great pride in mentoring and helping others grow.

EMPLOYEE SPOTLIGHT

Racksand

Racksand, a devoted Assistant Caregiver from California, has been in the caregiving field since a young age. Helping others comes naturally to her and she firmly believes, "You can't be great at something if you don't love it." She is

a proud graduate of Crenshaw High School and Kaplan College. Racksand is the loving mother of five and a doting grandmother to one—whom she loves to spoil. She enjoys cooking, hosting gatherings, reading, hiking and playing Xbox. Some of her favorite pastimes include game nights with her kids and shooting pool, a talent she's known for. She's also an avid poker player and golfer, always up for a challenge and some friendly competition.
